1. Respondent has read and understands this Interim Consent Agreement and the stipulated Findings of Fact, Conclusions of Law and Order ("Interim Consent Agreement"). Respondent acknowledges that he understands he has the right to consult with legal counsel regarding this matter.

2. By entering into this Interim Consent Agreement, Respondent voluntarily relinquishes any rights to a hearing or judicial review in state or federal court on the matters alleged, or to challenge this Interim Consent Agreement in its entirety as issued by the Board, and waives any other cause of action related thereto or arising from said Interim Consent Agreement.

1 **FINDINGS OF FACT**

2 1. The Board is the duly constituted authority for the regulation and control of the
3 practice of allopathic medicine in the State of Arizona.

4 2. Respondent is the holder of License No. 33601 for the practice of allopathic
5 medicine in the State of Arizona.

6 3. On April 11, 2008, the Board received a report from the City of Phoenix Police
7 Department stating that Respondent had been arrested for extreme DUI on March 29, 2008. On
8 April 25, 2008, Respondent was interviewed by Board Staff, including the Board's Contracted
9 Addiction Medicine Consultant. During the interview, Respondent denied using illegal street
10 drugs; however, later the same day Respondent tested was positive for cocaine on a hair test.
11 Based on all of the information provided, the Board's Contracted Addiction Medicine Consultant
12 and the Chief Medical Consultant recommended a residential evaluation of Respondent

13 4. On May 13th and 14th, 2008 Respondent completed an inpatient evaluation a
14 Board-approved facility. The results of this evaluation were provided to the Board on May 20,
15 2008. The results indicate that Respondent tested positive for cocaine in urine drug screens on
16 both May 13th and 14th of 2008. The evaluator concluded that Respondent is unsafe to practice
17 until he has completed inpatient treatment and is participating in a monitoring program.

18 5. Respondent has not yet begun treatment.

19 6. Based on the information in the Board's possession, it is the Board's position that
20 there is evidence that if Respondent were to practice medicine in Arizona at this time there
21 would be a danger to the public health and safety.

22 **INTERIM CONCLUSIONS OF LAW**

23 1. The Board possesses jurisdiction over the subject matter hereof and over
24 Respondent.
25

2. The Executive Director may enter into a consent agreement with a physician if there is evidence of danger to the public health and safety. A.R.S. § 32-1405(C)(25); A.A.C. R4-16-504.

INTERIM ORDER

IT IS HEREBY AGREED THAT:

1. Respondent shall not practice clinical medicine or any medicine involving direct patient care, and is prohibited from prescribing any form of treatment including prescription medications, until Respondent applies to the Board and receives permission to do so.

2. This is an interim order and not a final decision by the Board regarding the pending investigative file and as such is subject to further consideration by the Board.

DATED AND EFFECTIVE this 21ST day of May 2008.
